Here is what Rosita Hall said after Rose's keynote at Zonta International in 2012

"Dear Rose! Just a quick note to say that you did an outstanding job yesterday speaking at our International Women's Day Event here in Hamilton Ontario for the Zonta Club of Hamilton 11.

Your presentation style was warm, authentic and inspiring. You have an engaging personality and it beamed throughout your presentation. I think the fact that you received a standing ovation says it all. You are truly a gift from GOD"
